When the evening arrives, double-check your check-list before you jump in the car with your date and head to your favorite drive-in diner. If you don't have one in your area, try a walk-in diner. Order your favorite grub and enjoy while watching the sun set at your favorite spot. Otherwise, take it with you to the movie. At the movies, get your car settled and prepare your snacks. Get your seat in the ideal recline. Then snuggle up in a blanket or two. While waiting for the movie to start, do some drive-in movie trivia. Enjoy the movie. As you drive home, discuss your favorite characters and plot points. Then, check back on our blog for your next dinner and a movie date.
