

How to Have the Most Epic Wikipedia Race

STEP ONE :

Both of you clear your browsing history.

STEP TWO:

Navigate to the Wikipedia home page.

STEP THREE :

Both of you click on the "Random Article" button in the navigation.

STEP FOUR :

Decide at which of the pages you will start and end.

STEP FIVE :

On the count of three, begin clicking internal links from the start page to reach the end page.

STEP SIX :

Whoever reaches the end page first wins.

STEP SEVEN :

Review your browsing history to see how you each got there.

MORE RULES :

No going back.
No outside links.
No typing.
